2021-2022

TEXAS A&M
CYBERSECURITY CLUB

COMPANY SPONSOR
PROSPECTUS

PREFACE

On behalf of the executive leadership and membership of the Texas A&M Cybersecurity Club, we extend our sincerest gratitude for your willingness to support our club.

Through meetings, we give our members an introduction to a wide variety of both technical skills and important security concepts as well as give them the opportunity to participate and foster an environment with the common interest of the cybersecurity field. In addition to meetings, we participate in a variety of competitions such as NCL, CCDC, and CPTC where members are given the chance to use the skills they've learned and compete against students from all around the nation.

There are many benefits to becoming one of the cybersecurity club's corporate sponsors. Some include recognition on our website, club attire, access to our mailing list, and even the opportunity to have a dedicated recruitment event during a club meeting. Becoming a corporate sponsor gives companies the opportunity to broaden their impact in the security community through hosted events and recruiting opportunities as well as giving your company name recognition within the student body.

Sincerely,

Emily Murphy
President
Texas A&M Cybersecurity Club

Sincerely,

Jonathan Saenz
Vice President
Texas A&M Cybersecurity Club

Who Are We?

External Outreach Officer: Jacob Kastenschmidt
Internal Outreach Officer: Adele Walker
CTF Team Lead: Teddy Heinen
CCDC Team Lead: Jack Roehr
Competition Co-Lead: Nathan Nguyen
Webmaster: Matthew Le

Faculty Advisor: Martin Carlisle

And 100+ More Members Strong

CLUB MEETINGS

General Meetings

We hold general meetings every Thursday evening. These meetings are lead by our officers or even a club member. This is the primary meeting of our club. It is split into two-one hour pieces. The 1st hour is educational; an officer or club member will present on a topic of cybersecurity and possibly have interactive features (interactive presentation and/or demos). The 2nd hour will be more of a social hour and the opportunity for members to work on CTF challenges that our team has put together.
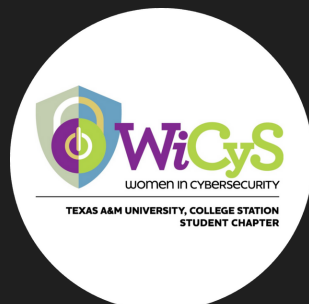

Guest Speaker or Sponsors

Within our club, one of our goals is to provide opportunities for our members to learn from industry professionals. This is carried out into meetings via guest speakers or sponsorship events. These meetings can range in topics (some possible topics listed below) and serve the purpose of learning about cybersecurity from those actually in the field. We encourage out speakers or sponsors to visit in person, but are able to accommodate our guests/sponsors via virtual solutions if need be.

Prior to being officially scheduled, we will hold a meeting between the club officers and speaker to discuss and finalize the presentation topic(s) and/or set up any interactive pieces the speaker wishes to present.

SPONSORSHIP TIERS

Tiers	Benefits
Platinum $3000 or more	• Dedicated recruitment event • Priority over lower sponsorship tiers • All Benefits of Gold Tier
Gold $2000 - 2999	• Recognition on Club T-Shirts * • Mailing list access • All Benefits of Silver Tier
Silver $1000 - 1999	• Host a technical workshop or meet and greet event • All benefits from Bronze Tier
Bronze $250 - 999	• Resume access guaranteed • Recognition on website
Custom	Customize your sponsorship with our club! You may combine benefits from the above tiers as example opportunities. All proposals for a custom sponsorship must be approved by the club officers and have paper confirmation of the sponsorship.

For more information, and to become a sponsor, contact us at tamucybersec@gmail.com or visit our website cybr.club.

Please NOTE:
Sponsorships are valid for 2 academic semesters once purchased. Companies are limited to one event per semester (recruitment events can encompass aspects of a technical workshop as desired). Workshops may contain a brief recruitment pitch at the end of the meeting. Costs may be paid partially or in whole through in-kind benefits (ex: free cloud time) whose value will be assessed by the president and the treasurer. Events hosted during normal club meetings will be subject to time limitations.

FINANCIAL REPORT

Please review the breakdown of our budget below. Companies will be recognized as the main sponsor for a specific event or program that they support. Please visit our website, cybr.club, to learn more about our main activities and events.

Description	2020-2021	Proposed 2021-2022
DEF CON Transportation	$0	TBD
DEF CON Lodging	$0	TBD
